

VISITOR INTRODUCTION PASS - Program Details

This program is limited to persons staying at a commercial hospitality location on the Shore. Hotels, motels and B&B locations all qualify.

Participants must complete the VIP form, and have their host organization sign and indicate dates of their stay. The Pass is valid for two adults over three consecutive days. Up to two additional family members may be included with a second Pass. All terms and conditions are the same for an additional Pass.

Each Pass requires a \$30.00 fee for the three day period. Visitors take the completed Pass to the club office for payment, registration and validation. Visitors will make arrangements for payment of additional purchases at this time. When the main office is closed, please proceed to the Pro Shop for these functions.

The completed Pass will remain with the visitor as evidence of eligibility for club facilities.

Clubhouse, dock, tennis and pool facilities are available for use without additional charges. Food and beverage charges, greens and cart fees, and special event fees require payment at regular club guest rates.

Please note that all club rules and regulations apply to guests under this program. This includes appropriate shoes and clothing for pool, tennis, and golf activities.
