A Letter From The President

I would like to thank all the supportive members that have helped sustain the club and made it a fun place to be over the slower winter months. The staff has done a fabulous job of providing a variety of fun events along with tasty food and refreshing drinks and the membership has responded with keeping the club active and the place to be even when the pool is closed and there are fewer good days for tennis, pickleball and golf. As a result we are coming out of the slower winter season with food and beverage operating in the black. As many of you who have served on the Club Board over the years know, this was frequently not the case. We can now enjoy what promises to be busy spring and summer months when the Club really shines.

I hope you will be able to join us for the upcoming annual meeting followed by a celebration party on the patio welcoming new members and thanking our long term members. At the annual meeting we will report on the health of the club and elect new Board Members and Officers. But spoiler alert, the club is thriving! Our membership is currently at 519 household memberships which allows us to operate solidly in the black keeping costs lower for everyone in a time when cost of everything seems to be rising. We have been able to increase staff wages to keep up with rising labor rates while also paying down debt, make needed repairs and improvements with the capital funds we all pay as part of our dues.

Most recently, approvals have been obtained to extend non-ethanol fuel service back down onto the dock for easy fueling at the Marina. This was accomplished by the Marina Committee, chaired by Paul Custis, with the help of club members Hank Badger on the VMRC application, Chris Guvernator on the Accomack County approval and Benjamin Nowlan with his company Underground Connections, LLC for the installation. With their help, the Club will continue to offer our members the lowest price around for non-ethanol fuel on the water, soon with easy pumping to your boat.

So come out and enjoy the nice weather at upcoming fun events and bring your friends, family and neighbors to experience the home of pleasant living on the Eastern Shore.

Club News and Activities

LGA Corner

End-of-April showers have brought May flowers, along with two LGA events for your golfing (and social) pleasure. Both are on Thursdays to avoid conflicts with WPGA team matches:

May 11: Cha Cha Cha. This team event uses the lowest one, two, or three scores from the team's members on each hole. Winner is the team that dances in with the lowest total score. Sign up in the Pro Shop by May 9. May meeting and lunch will follow play on May 11.

May 25: Start your Memorial Day celebrations early with a "Blind 9" event. This will be based on individual play, but scores from only 9 holes will count (similar structure with fewer holes for 9-hole players). Sign up in the Pro Shop by May 23.

LGA in Team Reach: Looking for someone to golf with in a non-event setting? Install the Team Reach app then enter code lgaesyc2023 to reach other lady golfers and find a game.

Susan Duer
President
ESYCC LGA

Racket Sports

Competitive Tennis begins May 1 st and will continue on Mondays with the courts reserved from 3-7pm.

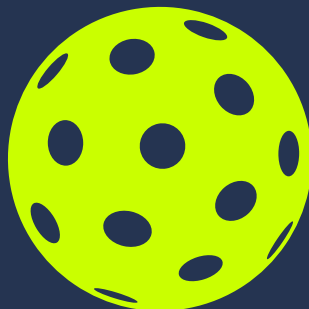

Social tennis beginning May 11 from 4:30 - 6:00pm

This format of play is intended to be a more laid-back style than Monday Competitive Tennis. All levels are invited to play in a fun, social environment while getting some exercise and maybe grabbing a cold drink and a bite to eat in The Mariner's Pub afterwards.

Come join us on THURSDAYS this Summer!

Pickleball will be moving toward Member Only play from 9am-12pm. There was a Queen of the Court Tournament April 20 th and a Double Elimination Spring Scramble is on the books for June 1 st .

A friendly reminder for ALL players to check-in at the Pro Shop before play.

2023 Golf Tournaments

YACHT ROCK BAND
"SCHOONER OR LATER"

Kick Off Memorial Day Weekend Right!

Marina Corner

The club has been permitted to add a retractable fuel line on the dock to improve fuel efficiency and limit risk. There will still be efforts to raise capital to complete the project and sponsors/donors are welcomed.

Additionally, slip agreements and assignments are being renewed. Members have volunteered to donate trenching/connection work for the fueling job and have been put in charge of that connection with Peter and Chris. Suggestions from a previous dock walk and made a to-do list, which included removing an old flagpole, hanging bird flags, and replacing some plank boards. The Committee discussed plans for marina events, including a Memorial Day Friday dock event, a charity Bayside Poker Run on July 29, a fall event, and the Rockfish tournament on December 8-10. Finally, they decided to move their advisory meetings to the second Thursday of each month to avoid conflicts with other Wednesday club events, with the next meeting scheduled for Thursday, May 11, 2023 at 5:30 pm.

USCG Auxiliary
Boating Skills and
Seamanship Course
(Meets State required Boating Safety Training)

Saturday, May 20 8am-
5pm ESYCC Clubhouse

Make sure you, your friends and your family are safe on your boat! Come by water or land for a USCG Auxiliary Vessel Safety Check. There is no charge, and no consequences if you don't pass, BUT it certainly is great to be able to show your inspection certificate to any Coast Guard personnel who stop you afterwards!

· Saturday May 13th 9am - 1pm
